Subject: Regarding Verification of HPR (Health Professionals) on ABDM Portal

As part of the ongoing implementation of the Ayushman Bharat Digital Mission (ABDM), it is essential that all health care professionals associated with all hospitals are enrolled and verified in the Healthcare Professional Registry (HPR) on the ABM platform. As per ABDM cell (*Annexure-I: hard copy of E-mail of Delhi ABDM*), that some health professionals are registered but they have not verified on ABDM portal.

2. Health Care Professionals Registry (HPR) is a digital platform for registering and verifying health care providers in India. It is a Govt. of India's initiative under Ayushman Bharat digital Mission to create a verified and digital repository of all registered and qualified health care professionals in India. This registration provides unique health care professional ID connecting them to National digital health ecosystem and help patients.

3. Objective of **Registration and Verification of HPR (Health Professionals) on ABDM Portal** is to create a digital health infrastructure to support the country's integrated digital health ecosystem.

4. All health associated professionals of IHBAS are requested to register and verify themselves on **ABDM Portal** for creating a digital health infrastructure to support the country's integrated digital health ecosystem and intimate the undersigned at the earliest with the registered and verified IDs.
