CIRCULAR

Institute of Human Behavior and Allied Sciences is starting the Neuropalliative Care OPD services from 1st November 2023 (Wednesday) under DSHM as action plan under Mission 2023. The aim of the clinic is to identify & cater to the evolving needs of patients and caregivers with aim to improve their quality of life, enhance well-being and overall psychosocial functioning through holistic multidisciplinary approach for patients with life limiting disorders.

The clinic will cater to all age groups across disorders/disease like dementia, stroke, ALS, Parkinson's or any other neurodegenerative disease which is life limiting in nature.

Patients needing supportive care and psychosocial support may be referred to the clinic from other departments. Patients referred from other hospitals will require direct registration to the clinic on the designated day and time.

The detail of the clinic as follows:

Day: Wednesday

Time: 2:00 PM- 4:00 PM

Place: Room No: 31

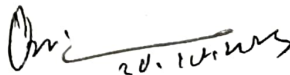

Following clinical team is identified for the delivery of the services:

- 1.) Dr. Rajinder K. Dhamija (Consultant-in-charge)
- 2.) Dr. Prerna Sharma (Associate Professor, Clinical Psychology)
- 3.) Dr. Sonal Rout/ Dr. Reshma (SRs, Neuroanesthesia)
- 4.) Mr. Vikas Kumar (Medical Social Worker)
- 5.) Ms. Sonal Smart (Nursing Officer)
